## Media Release – October 24, 2009

### Live with Lenore - Webcasts

Saskatoon mayoral candidate Lenore Swystun will utilize the web to broadcast a live, interactive forum into people's homes.

Sunday, October 25th, 2009, at 7:30 PM, and Monday, October 26<sup>th</sup> at 9:00 PM Saskatoon mayoral candidate Lenore Swystun will host a live webcast to facilitate a conversation between herself and the residents of Saskatoon.

A chat forum will be included with the webcast so that viewers can pose their questions directly to Swystun. This cyber-event falls in line with Swystun's dedication to citizen consultation and a waste-minimal campaign. The campaign believes that the people of Saskatoon will embrace this new method of fast and efficient candidate-voter interaction.

"It's important for me to be as accessible to the public as I can be", said Swystun, "this includes campaigning in different mediums to reach as many voters as I can."

The webcast will be hosted at [www.ustream.tv/channel/swystun](http://www.ustream.tv/channel/swystun). This link can also be found on [www.lenoreswystun.com](http://www.lenoreswystun.com).
